Hour(s): _____

Tips & Guidelines:

- Park on the street, not the building parking lot. Most of Greenway Rd & George Mason Rd requires a permit 8am-5pm Monday - Friday. Cameron Rd, one block north, on the other side of 7-11, requires no permit.
- Stand on the sidewalk at the corner of S Washington Street and W Greenway Blvd (the clinic is at this end of the building on the top floor), or walk up and down the sidewalk. Do not enter the building or stand in the parking lot.
- You may bring a folding chair, if need be. Do not block pedestrian traffic on the sidewalk.
- Be safe! Don't pray alone especially if it is dark outside, pray in your car.
- Leave if you feel unsafe for any reason.
- Take caution with young children. Traffic on Washington St. can be heavy.
- Dress appropriately for the weather – it would be a waste if you have to cut your prayer time short because you dressed too lightly or didn't have an umbrella during rainy weather.
- Have cell phone and camera available.
